

Falak Impact Report 2018–2026

Intro Text

We are collecting selected HR / People inputs for Falak's Impact Report 2018–2026.

This section is not intended to be a full HR report. The goal is to show how Falak's team growth and culture supported the company's evolution from an Investment Hub into Falak Holding.

Please focus on accurate, concise, and relevant information. You may attach any supporting files available.

1. Respondent Details

Type: Short Text

Please provide your name, role, and department.

2. Key People Numbers

Type: Long Text / Multiple Fields

Please provide the latest approved people-related figures available.

Include what is available only:

- Current total team size
- Team growth rate
- Number of new hires
- Number of interns / trainees
- Number of interns / trainees converted to full-time employees
- Any other relevant people, training, or development figures

Please mention the year or cut-off date for each figure.

3. Talent Pipeline

Type: Number / Short Text

How many current employees started their journey at Falak as interns or trainees?

Optional:

If available, please mention the departments they are currently part of.

4. Team Growth

Type: Long Text

Briefly, how did Falak's team evolve as the company grew from an Investment Hub into Falak Holding?

Please focus on the main shifts, such as team growth, department expansion, or the development of new internal functions.

5. Talent and Culture Highlights

Type: Long Text

What are the most relevant talent or culture initiatives worth mentioning in the report?

Examples:

- Internship / COOP programs
- Key recruitment initiatives
- Learning or development activities
- Internal initiatives that supported team engagement or culture

Please include outcomes or numbers if available.

6. Supporting Files

Type: File Upload

Please attach any useful supporting files, such as:

- Team growth data
- Presentations
- Internal reports
- Photos from internal events
- Training or culture materials
- HR dashboards, if available
