Who We Are

Falak Investment Hub is an integrated business investment and institutional innovation company based in the Kingdom of Saudi Arabia. It supports startup founders, investors, entrepreneurs, corporations, and public entities, contributing to the development of Saudi Arabia's entrepreneurship and innovation ecosystem.

Our Focus

1

Startups

Supporting startups to grow and scale.

2

Investors

Connecting investors with promising opportunities.

3

Market Players

Developing impactful entrepreneurship and innovation programs.

4

Corporates & Government Entities

Supporting innovation and business transformation initiatives.

Why Flynas?

We believe flynas is the ideal strategic partner because of its:

- 1 Strong domestic network across Saudi Arabia
- 2 Reliable business travel solutions
- 3 Commitment to innovation and customer experience
- 4 Position as one of Saudi Arabia's leading airlines
- 5 Shared vision of supporting national growth and development

Our Objective

Falak Investment Hub aims to establish a strategic partnership with flynas to support business travel while creating long-term value for both organization

Enhance employee
travel experience

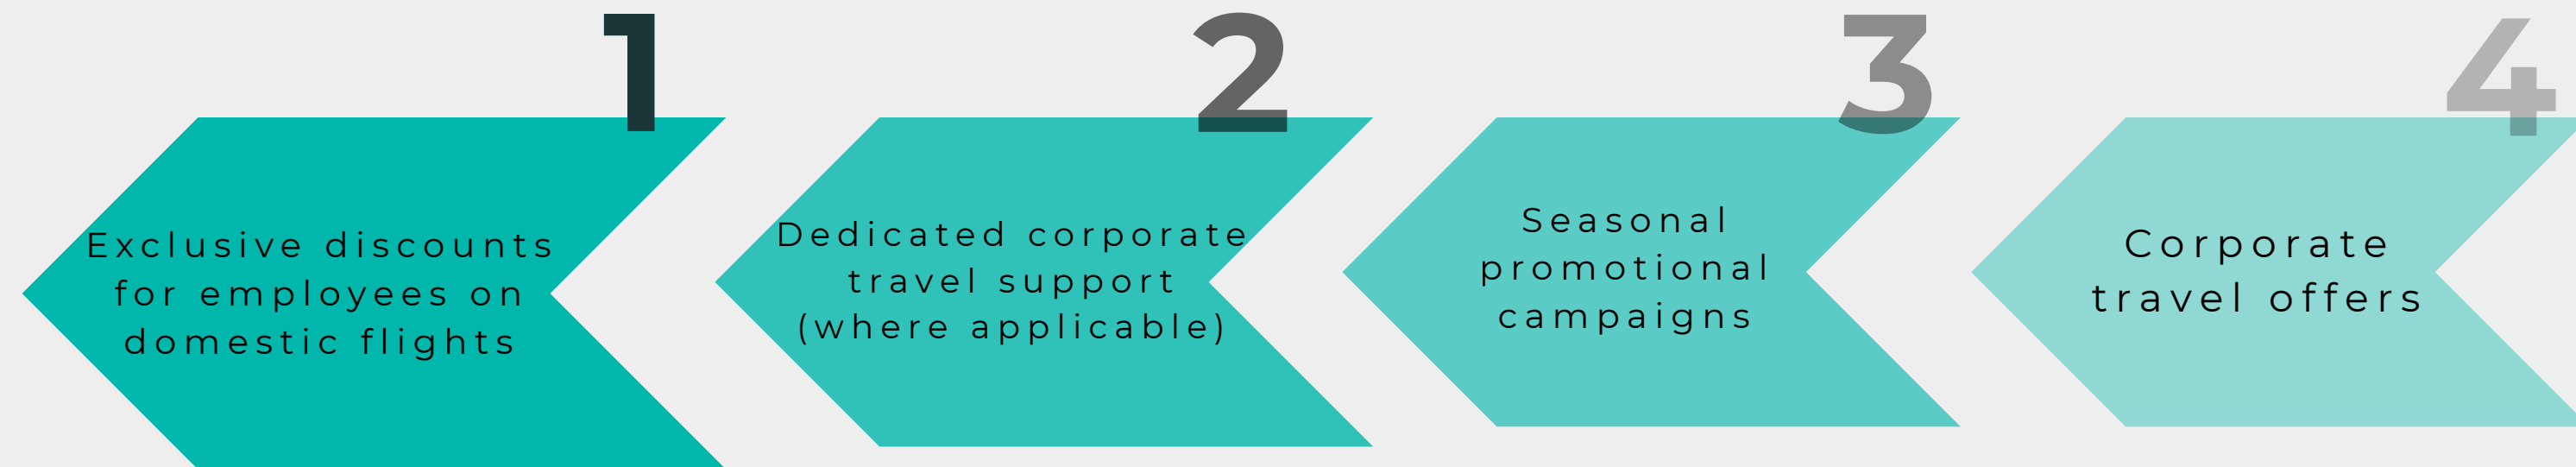

Support travel for
consultants and
business guests

Improve business
travel efficiency

Build a long-term
strategic
partnership

Initial Collaboration

As the first phase of the partnership, Falak Investment Hub proposes

Benefits for Falak

This partnership will help Falak Investment Hub to:

- 1 support participation in meetings, events, and business activities across Saudi Arabia
- 2 Facilitate travel for consultants and business guests
- 3 Enhance the employee travel experience
- 4 Reduce business travel expenses

Benefits for flynas

This partnership provides flynas with the opportunity to:

- 1 Explore future collaboration across entrepreneurship and innovation initiatives
- 2 Build a long-term strategic relationship with Falak Investment Hub
- 3 Strengthen its presence within the innovation ecosystem
- 4 Connect with Saudi startups and entrepreneurs
- 5 Increase corporate travel opportunities

Beyond Employee Travel

Potential future collaboration may include

- 1 Startup events
- 2 Entrepreneurship programs
- 3 Innovation initiatives
- 4 Business networking events
- 5 Community engagement activities

Proposed Next Steps

- 1 Arrange an introductory meeting
- 2 Review employee travel benefits
- 3 Discuss partnership requirements
- 4 Finalize the partnership framework

Thank You
